Rules YOU Can Live By | JUNE 17 - 23, 2012

Make safety, health, and survival a priority every day – both on and off the scene.

Focus on Safety

Follow the **Rules of Engagement for Firefighter Survival** and the **Incident Commander's Rules of Engagement for Firefighter Safety** to reduce your risks at the emergency incident scene.

Focus on Health

Follow the **Rules of Engagement for Firefighter Health** to strengthen your heart, protect your health, and be ready when the call comes in.

Download the Rules of Engagement, find tools for participating in Safety and Health Week, and access the resources you need to focus on safety and health at www.safetyandhealthweek.org.

These are rules we can ALL live by.
